

# Taverners Tales

## Edition 3 – April 2023

### Petersham Bowling Club

John Gauci recently spoke to one of the board members (an ex Tavs parent) and the Bowlo will very kindly let us hang an enrolment banner at the club, submit an article for their newsletter and set up a stall at their Paws Day this coming Sunday afternoon April 30. John & I will be manning the stall on Sunday afternoon. It would be great if Taverners families could support the event – with or without a furry friend.

## Chicken feeders

Thank you to the families who volunteered to look after our chickens during the holidays. It is greatly appreciated.

## Easter raffle

Congratulations to all the Easter raffle winners. Thank you to everyone who donated items and bought tickets. A very big thank you to Alissa for bundling the raffle items and Emily for working with Alissa to wrap the bundles.

## 2024 enrolments

It's early in the year but the sooner we have an idea about the number of 2024 enrolments the better. So we are asking families to talk to friends and neighbours who have school age children about considering Taverners. Please assure them that out of catchment enrolments will be accepted. Any interested families who would like a school tour, tell them to contact Jack via email [Jacki.Gardner@det.nsw.edu.au](mailto:Jacki.Gardner@det.nsw.edu.au)

Any current Taverners families who have children who will be ready to start in 2024 please submit enrolment forms via the online enrolment facility on the school website. If you are a current family but don't live in catchment you will have to go in via the out of catchment section or I can email you an enrolment form. I can email the form to in area families too.

## Testimonials

Thank you to the families who have written a testimonial for the school website, it is greatly appreciated. It is not too late to provide one, whenever you get time just email it to me and I will add it to the testimonials page on the website.

## CHESS!!

Learn to be a chess champion! Coaching for students at Taverners Hill Infants School is held on Thursdays from 11:45am to 12:30pm, starting on 27 April 2023.

Learning and playing chess helps children develop their logical thinking and problem solving skills, improves their concentration and focus, while also being a great source of enjoyment. Activities include group lessons on a demonstration chess board or interactive whiteboard, puzzle solving and fun practice games.

Students earn merit awards by making checkmates, or by displaying skills and positive qualities, which all good chess players strive to develop.

If your child is interested in taking part, you can collect an enrolment form from the school office, or email [enrol@sydneyacademyofchess.com.au](mailto:enrol@sydneyacademyofchess.com.au) for a copy. For all enquiries, please contact Sydney Academy of Chess on (02) 9745 1170.
